1. The Board has discussed the possibility of a re-cycling program for the community with our waste service provider. The cost would be \$50.00 per year (\$4.00 per month) and ALL residents would have to participate. **Do you favor the implementation of a community-wide re-cycling program?**

_____ **Yes**

_____ **No**

2. The Board has discussed the possible construction of a multi-purpose community center at the pool. This facility would be used for birthday parties, community meetings, swim parties, etc... **Do you favor the construction of such a facility?**

If it could be funded with reserves...

_____ **Yes**

_____ **No**

If it would be funded with a loan...

_____ **Yes**

_____ **No**

3. It is our annual budget time and the Board is interested in hearing what you have to say about your money. Please rank the following in order of importance and let us know how you want us to handle your money. **Rank the following in order of importance... 1 being the most important and 7 being the least important...**

I would like the Board to...

_____ Spend more money on security/constable patrols.

_____ Spend more money on beautification/grounds maintenance.

_____ Spend more money on playground equipment.

_____ Reduce the annual maintenance fees.

_____ Increase deed restriction enforcement.

_____ Spend more money on community activities.

_____ Other (please list) _____
